Headteacher's Message

It has been another busy and fantastic week at Water Street, with the main highlight being the various groups of children heading out to perform at the Skipton Music Festival. We had the KS2 Recorder Group out on Wednesday and then Reception out this morning followed by the KS2 Choir this afternoon. The children have put in so much practise in preparation for the event and Mrs Macnab said that they all performed brilliantly. Thank you and well done to all of the children for their hard work, commitment and for representing Water Street so amazingly

Friends of Water Street

Thank you to everyone for your continued support of the Friends of Water Street.

Last week for World Book Day we had the amazing Water Street Bar. The children loved opening the chocolate bars in school to see who had won the 'Golden Ticket' and it was a lovely way to end the day.

On Monday at 3.30, the Friends of Water Street will be holding the Easter Raffle in the school hall. Don't forget to buy your tickets and we'll look forward to seeing you there.

Finally, I would like to wish all the quizzers, heading to the quiz tonight, the very best of luck!

Science Garden - Can you help?

As a school we are really keen to make better use of the area known as the Science Garden. It is an unusual space and one that we are currently unable to utilise, which is a real shame.

In trying to find a way forwards, we would welcome input from any member of the Water Street community who feels they may have the ideas, skills or expertise to help. If you, or anyone you know, would be interested in taking a look and putting forward some possible ideas, then we'd be very keen to hear from you.

I hope you all have a brilliant weekend

Many thanks

A Parent's Guide to Cyberbullying

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.

Anxiety

(3 to 18-year-olds)

Does your child show signs of anxiety?

What exactly is anxiety?

How can I support my child with anxiety?

Anxiety can manifest in our children through constant worry, excessive avoidance, social fearfulness, perfectionism and irritability.

If this resonates with you and you are curious join Anisa (Parenting Coach) on the 11th of April for her monthly Free Parenting Clinic, this talk is focused on Anxiety and what we can do to support ourselves and our young people.

Join us on Zoom, for the 30-minute talk.
