Headteacher's Message

It has been another great week at Water Street, with lots to celebrate. Each Friday we have our Star Book assembly, where it is lovely to hear about the wonderful work the children have been completing and the fantastic learning attitudes they have been displaying. We continuously promote a growth mindset, so it's particularly pleasing to hear about children who have demonstrated resilience, determination and perseverance to overcome challenges that they have encountered during the week.

This half term Year 3 have the opportunity to go swimming. I had the privilege of accompanying them last week and was very impressed. I have also heard excellent reports from this week. They've approached their first two lessons with great enthusiasm and determination to learn and improve. Well done Year 3.

We have lots of exciting clubs up and running at the moment. It's great to see the Year 5/6s getting to grips with micro:bits in Computing Club and the wonderful art work being produced in Year 2 Art Club. And, despite it not yet feeling like cricket weather, there have been some super skills on display at KS2 Cricket Club.

Recently, we have noticed an increase in children coming to school wearing jewellery. Please can I remind you that we ask children not to wear jewellery, as it has been known to cause injury to the wearer and to others. Children with pierced ears are allowed to wear small studs, although these must be removed by pupils themselves for PE. If they are not able to remove them, then they will be required to use tape to cover them. Whilst it's great to see children wearing watches, please can I also ask that children avoid wearing expensive smart watches to school. Lost and damaged items can cause distress, especially if the item is of sentimental value or valuable.

Last weekend Mrs Bownass conquered the Manchester Marathon, which was an incredible effort. A huge well done. This week, I'd like to wish Mrs Hay the very best of luck as she takes on the London Marathon on Sunday. We know she'll smash it, and look forward to hearing all about it next week.

I hope you all have a fantastic weekend.

Many thanks

Neil Gunstone
Headteacher

We will keep you updated!**

Any new or amended dates added this week are shown in red

Please Do Your Part To Reduce Water Street Traffic!

This is just a reminder to encourage you to use Coach Street Car Park.

The traffic wardens allow you to park for a short time in Coach Street Car Park whilst walking to and from school, without requiring a ticket.

Thank you for your support in keeping our children safe.

IMPORTANT

We have a number of children in school with serious nut allergies. Please remember there should be no food in lunch boxes or breaktime snacks that contain nuts. This includes Peanut Butter or Nutella Sandwiches. Thank you

A Parent's Guide to Cyberbullying

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
