Headteacher's Message

I'm regularly reminded of how lucky we are as a school to be located on a hill in the centre of Skipton. Besides the incredible views, it means we are able to walk to key venues around the town, enabling us to participate in the majority of local opportunities that arise, whether it be music festivals, sports events or curriculum visits such as Skipton Castle. Yesterday was the latest reminder, with Years 4 and 5 walking to Sandylands to participate in a tennis festival organised by Skipton Tennis Club. The children clearly had a brilliant time and represented Water Street brilliantly. Thank you and well done to Years 4 and 5. Next week it will be the turn of Years 1 and 2.

On Thursday, Year 4 also participated in a music workshop. Having spent the morning developing a greater understanding of the science of sound, they were able to create their own musical instruments in the afternoon. There was a buzz of excitement around the classroom and it was wonderful to see the children so engaged in their learning. I hope it hasn't been too noisy in Year 4 households since then!

It's always great to be able to welcome you into school, and with that in mind, you will see that we have started to add the class assembly dates to the calendar. These assemblies will be an opportunity to showcase all the amazing learning that your children have been doing throughout the year, which we are all very excited about.

I hope you all have a fantastic weekend.

Many thanks

Neil Gunstone

A Parent's Guide to Cyberbullying

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.
