Building Works ...

From **MONDAY 18 MARCH** builders will be on site to begin a small project to create a new external entrance, coat area and toilets for the Year 2 classroom. The project should take around 6 weeks to complete, so until the end of the Easter Holidays.

All of the external works will take place during term-time and the builders will not begin any works inside school until the Easter Holidays. This means that school can continue as normal until the end of term.

Please be aware that the site will need to be vacated as quickly as possible at the end of the school day (3.15pm) as deliveries and other works will take place from 3.30pm. All pre-school aged children are parents responsibility before and after school. **Thank you for your co-operation.**

Is it a plane ? Is it a bird ?

No... It's 'Banana Woman!'

(well actually it's Mrs Bownass!)

A huge well done to everyone who took part in, marshalled, or manned the stall at the Skipton Park Run last Saturday, despite the awful weather!! This showed true Water Street grit!

The park Run was part of Water Street's Fair Trade Challenge 2019—to sell 180 bags of Fair Trade Rice. This was to show the plight of rice farmers in Malawi who carry rice to market. We still have plenty of bags of rice left to sell—speak to the school office! A HUGE thank you to Mrs Bownass who organised the event and runs our Fair Trade Group.

Well done Water Street Choir...

A huge well done to our school choir who gained first place in the Skipton Music Festival last week and thank you to Mrs Turvey their choir mistress extraordinaire !!

Well done to everyone who participated in the music festival including our fantastic recorder players.

COMIC RELIEF

We raised an amazing £301 for Comic Relief last Friday ...
Well done to everyone who helped to organise this event and especially to Fran (Yr 6) who organised and ran the after school cake stall.
