

Water Street C.P. School

Our behaviour Policy

Our School.

Our school is special. It is a happy and fun school where respect is very important. It is a school where we celebrate our differences. We come from different places and have different beliefs. Some of us are tall, some of us are small and some of us find it difficult to walk or talk. We encourage everyone to behave in a friendly, caring, truthful, polite and respectful manner with no bullying. We will not tolerate children being mean or making fun of others. Everyone in school is equal and has the right to express an opinion in a secure and safe environment.

We are the same but different!

How should we behave and why.

We should behave in a respectful way that keeps all children and adults in our school safe from physical and emotional harm. This means we should be kind and friendly to everyone. We should support each other when we are having a difficult time and listen to each other when we need to talk about our feelings or problems. This will help us to be healthy in our mind and make us feel good about ourselves, helping us to be ready to learn. It is also important to look after the equipment we have in school and in the playground.

Are our behaviour rules for all times?

We should try to behave well at all times. During the school day means playtimes and lunchtimes as well as during our lesson times.

We understand the importance of behaving well on school trips and with visitors, so that people outside school can see that we make the right choices and do our best.

What happens if we don't behave appropriately?

- An adult will speak with us and we will be given the chance to do the right thing next time.
- A warning will be given about the inappropriate behaviour.
- Time out
- Miss playtime
- Chat to the Head Teacher.
- Our name is put in our orange behaviour book
- After being in the orange book 3 times, our name will go in the red book and our parents will be told about our behaviour.

What happens if we behave appropriately?
