

## Clubs

There is so much to do if you would like to.

Some clubs run at lunchtime and some are after school. This programme changes but **some** examples so far are:

- Art & crafts, drawing, scenery making
- Chess & board games
- Bingo
- Lego
- Running, football, tennis, basketball

**WE**  
**create**  
BRIGHT FUTURES

## Lunchtimes.

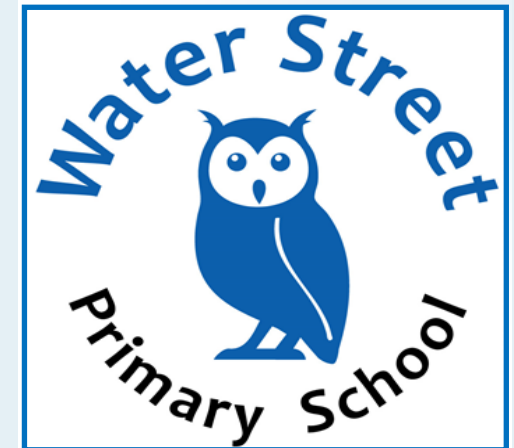

We are a healthy school so if we choose to have a packed lunch then it needs to be one that even Jamie Oliver would be impressed by!

Our school meals and puddings are delicious!

We can choose what to eat!  
Check out our website for more information.

Our teachers can also choose a meal to come and sit down and eat with us, which is a really good time for us to have a chat and get to know them better.

We have staff on duty to look after you in the dinner halls and outside.

Welcome to  
Water  
Street C.P.  
School

## Playtimes

We think playtimes are a great fun part of our day. We like to be active! We have lots of equipment to use and Year 5 & Year 6 play football.

## What do we wear?

We wear our uniform with pride. Check out our website for more pictures.

We think it is very important to look smart from head to toe, so grey or black shoes match well. Long hair is tied up to finish the look.

It is ok to wear earrings as long as they have tape on them for PE but no other jewellery is needed, (unless we have a disco, that is!)

PE KIT: your teacher will help you with this because we have different colour tops to match our house families. We have an outdoor kit too.
