## What an amazing photograph Well done Isabella!

Well done to Isabella in Year 6 for taking the amazing photograph above.

Isabella has won a local photography competition and the original will be on display in Skipton Town Hall from Saturday 15th January to Saturday 5th March. So if you free pop in and have a look!

It's great to see a photo of a rainbow and the hope it symbolises!

Jack, a pupil in Year 1 will be raising money for the Little Princess Trust, a charity that provides real hair wigs to children and young people who have lost their own hair through cancer.

If you would like to support him—please see the link below to his Just Giving page.

Good luck Jack, we look forward to seeing the before and after photos!

**This half-term in  
school we are  
listening to Eine  
Kleine Nacht Musik**

**By Mozart.**

This is during assemblies, music lessons and sometimes ...

Even when we are eating our dinner!!

From 17 Jan

New self-isolation  
guidance for  
people who  
test positive  
for COVID-19

■ ■ ■ ■ ■

# Changes from Monday 17th January 2022

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be [reported to NHS Test and Trace](#).

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

Further [information on self-isolation for those with COVID-19](#) is available.
