## FOWS Grow a pound summer challenge!

# ££

As we have not been able to do our usual fundraising this we wondered if you could help us out.

We will give anyone who wishes to take part £1. All you have to do is to try and make that £1 grow over the summer holidays and return your profits to school next term. You could bake some cookies to sell, paint your friend's nails, wash cars or teach some crafts – or anything that your imagination can dream up, that will only cost you £1 to do and is safe to do under the current COVID guidelines.

Let's see how creative you can be and how much we can raise to support the FOWS

**Due to children & adults in our school with nut allergies we kindly request that you do not include nuts or nut related products in your child's packed lunch or mid morning snack. Thank you**
